Govt. Circular Memorandum No.5645/36.

Bombay Castle, 8th January 1942.

GOVERNMENT CIRCULAR MEMORANDUM.

It has been brought to the notice of Govt. that for certain Govt. buildings several estimates for providing additions and alterations to the electric installations had to be prepared and sanctioned during the same financial year as calls for such changes were made from time to time. This causes unnecessary labour in the offices of the Sub-Divisional Officers and the Executive Engineer in having to prepare plans and estimates each time separately and extra expenditure on work-charged establishment and supervision charges. All officers concerned are therefore requested to report their requirements in respect of additions and alterations to the electric installations in Govt. buildings in their charge to the Executive Engineer, Electrical Division, once at the beginning of each financial year.

By order of the Governor of Bombay,
